Other Information:

Deductibles and Out-of-Pocket Limits are based on a Calendar Year benefit period, unless otherwise indicated herein.

The Deductible and Total Out-of-Pocket Limit apply to all Covered Health Services unless otherwise stated. The Deductible and Coinsurance count toward the Total Out-of-Pocket Limit. If a Provider, a facility, or anyone else reduces or waives the required cost sharing (Deductible, Copays, Coinsurance) for a particular claim, the Plan reserves the right to adjust the amount charged, the amount eligible under the terms of the policy, your Deductible and/or Out-of-Pocket Limit, to accurately reflect the amount actually charged for that claim.

This benefit plan is embedded: the Plan will pay for an individual’s Covered Health Services once the “per individual” Deductible is met by that individual. When the “per family” Deductible is met, the Plan will pay for Covered Health Services for all Covered family members.

Coinurance for an individual’s Covered Health Services is not required for the rest of the Calendar Year once the “per individual” Total Out-of-Pocket Limit is met by that individual. When the “per family” Total Out-of-Pocket Limit is met, Coinsurance for Covered Health Services is not required for the rest of the Calendar Year for all Covered family members.

Expenses you incur on non-Covered services do not count toward the Deductible or Total Out-of-Pocket Limit.

To the extent a Provider, drug manufacturer, Pharmacy, or third-party (other than family) waives, discounts, reduces or pays (directly or indirectly) the required cost sharing (Deductible, Copay, or Coinsurance) for a particular claim, the applicable cost sharing met by the Covered Person on the claim will be reduced to reflect the amount of such waiver, discount, reduction or third-party payment. Certain Prescription Drugs require the use of an alternate Prescription Drug before they are Covered. The alternate Prescription Drug must have been used within a specified number of days. This process is called Step Therapy. Prior Authorization required for any Prescription Drug or Refill over \$1500 for Retail Prescription Drugs and \$4500 for Mail Order Prescription Drugs.
