Coinsurance	None
Total Out-of-Pocket Limit	\$4,000 per Member
Family Coverage	
Deductible*	\$4,000 per Member or \$8,000 per Family
Coinsurance	None
Total Out-of-Pocket Limit	\$4,000 per Member or \$8,000 per Family
Deductibles and Out-of-Pocket Limits are based on a Calendar Year benefit period, unless otherwise indicated herein.	

\*Because the Plan is intended to be a qualified high deductible health plan, deductible may automatically adjust when the IRS implements cost of living changes each year. A new schedule may not be provided.

The Deductible and Total Out-of-Pocket Limit apply to all Covered Health Services unless otherwise stated. The Deductible counts toward the Total Out-of-Pocket Limit. If a Provider, a facility, or anyone else reduces or waives the required cost sharing (Deductible, Copays, Coinsurance) for a particular claim, we reserve the right to adjust the amount charged, the amount eligible under the terms of the policy, your Deductible and/or Out-of-Pocket Limit, to accurately reflect the amount actually charged for that claim.

This Plan is embedded: PHP will pay for a Member's Covered Health Services once the "per Member" Deductible is met by that Member. When the "per family" Deductible is met, PHP will pay for Covered Health Services for all Covered family Members.

Expenses you incur on non-Covered Services do not count toward the Deductible or Total Out-of-Pocket Limit.

This schedule is a summary of the benefits available to you. It also may help you understand how much you may have to pay for a particular service. Before getting any Health Services, you should review your Certificate of Coverage and contact us to check your Coverage.
